

Sidonie KRYSIECKI passed the competitive examination for Hospital Director in January 2024 after completing a Masters in Political Science and Administration at Sciences Po Strasbourg. She is following a dual curriculum: theoretical training at EHESP (École des Hautes Études en Santé Publique/ in Rennes, western France) and practical training in a public mental health institution in Alsace (eastern France). During her university career, she had the opportunity to study for a year in Japan (Toyo University, Tokyo). She is currently on placement at the Chang Bing Schow Chwan Memorial Hospital, working alongside Professor P. Chang.
